

COMMITTEE

Who's Who 2010/11

Chairman/Clinical Standards: Yvonne Jones

I am employed by Burnley Pendle and Rossendale PCT as a Specialist in Orthodontics, where I have worked since qualifying. I work in both the CDS, treating mostly IOTN 4/5 and those with special needs, and the HDS, working with 2 consultants and an FTTA, treating multidisciplinary cases. We have just moved into a new LIFT Health centre so everything is new and lovely even down to the digital radiographs...the only downside is nowhere to park!!

SAC/Website: Alison Newlyn

I qualified from King's College Hospital in 1977 and during my career have worked in Hospital, Community and Specialist Practice. I am currently Assistant Clinical Director at East Surrey Hospital, Redhill, where I treat orthognathic, joint restorative and special needs cases. I also work two days a week in Specialist Practice. My particular area of interest is multidisciplinary treatment. I also have a degree in Art History from the Open University.

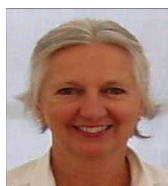

Secretary: Arunika Gunasekera

Treasurer/Conference & meetings: Heather Nevard

I trained at King's, London and did various hospital jobs in paediatric dentistry and oral surgery before training as an orthodontist at the Eastman. Since qualifying I have worked in Oxford for the community service at the John Radcliffe Hospital. In November 2000 I began a "proper" community clinic in Banbury, where many of my patients are special needs. I spend the rest of my spare time at the theatre, in my garden (weather permitting) running a children's club at my church as well as being heavily involved in church activities.

ACCD representative: Yvonne Wartier

I have worked for Barnet CDS for 20 years. I am clinic based. I do a wide range of treatment and spend a significant amount of my time giving advice re carious 6's and seeing children with quite severe learning difficulties. I am in my final year of a Diploma in Garden Design at Capel Manor College in Enfield.

Ethics/Scholarship & Awards: Jane James

I completed my postgraduate DOrth and MScD training at Cardiff Dental School in September 1980. I have been in my present post since October 1989, working as Senior Dental Officer for Cardiff and Vale NHS Trust based in Merthyr Tydfil. I work 6 sessions in Community Dental clinics and 4 sessions at Cardiff Dental Hospital as Hon Lecturer. Outside orthodontics I enjoy walking, rugby, cricket, opera and travelling.

OPC: Jane Eden
