

Journal of Orthodontics

The Society's professional journal

The Journal of Orthodontics is the professional journal of the Society which reaches an international audience. It publishes refereed articles on research in orthodontics and includes articles of interest on clinical techniques and new products. The Editor is Dr Philip Benson of Sheffield University Dental School.

The Journal is published quarterly in full colour by Maney. Members receive the journal free as a membership benefit and also have access to the on-line version.

Further information about the Journal is available from the Maney website at www.maney.co.uk/journals/orthodontics

The Maney website includes:-

Notes for Contributors

Subscription rates for institutional, non-member subscribers

Links to the on-line version of the Journal, which is hosted at

www.maney.co.uk/journals/jor

Authors wishing to submit papers to the Journal should do so online via <http://jor.edmgr.com>
