

Audit of Mini Screws / Temporary Anchorage Devices (TADs) - Introduction

Why it is important you participate in this national audit project

British Orthodontic Society

National Audit of Mini Screws / Temporary Anchorage Devices (TADs)

Welcome to the home page for the BOS National Audit Project.

Starting on 1 June 2008 all members of the BOS who are using mini screws / TADs are encouraged to register and record their TAD use as part of this National Project.

Participation will allow you to:

- Have your experiences with TADs included in the National Audit
- Compare yourself with the National Averages and Audit Standards
- Comply with NICE Audit recommendations
