

Scholarships and Grants committee 2015/2016

All the meetings have been teleconferences.
During 2015 Steve Chadwick took over as Chair.
It was decided that judges will be given clocks as a thank you for judging.
The committee reviewed all prizes and awards.

Against – all –odds will now have 2 orthodontic judges who will choose 3 cases which have orthodontic merit as well as the story of the patient. They will then be judged by the panel. It was felt that some of the past winners did not always reflect a high orthodontic standard.

There were issues with the distinguished trainer award and the TGG felt that they had been 'over ruled' in the award of that prize. It was agreed to clarify the eligibility of candidates and that all candidates nominated would be informed of their nomination.

The Maurice Berman prize was not awarded due to poor record standards.

The next meeting will be in June /July 2016
