

**British Orthodontic Society (BOS)**

**Community Group Treasurers Report AGM 2016**

2015/2016 finances are a little strange because there was no study day in 2015.

However the group has had little spend of its budget with only a few travel claims and some meal expenses.

It is anticipated that next years spend will be similar to 2014 depending on what is made from the study day.
