

Clinical Practice Directorate Report to AGM

Commissioning and Retendering

These have been very much on the agenda over the year will be for a while. BOS is aiming to develop a guide for this. Concerns about CDS commissioning have been raised

MCN's

Everyone should be involved with their MCN or LOC. The MCN advice on BOS website is currently being updated

New Chair

Guy Deeming is now Chair of Clinical Practice

E Referrals

Concerns have been raised regarding the Manchester system with long waits for initial triage. Principal is good system is not.

IOTN App

This is now available on iTunes and later in year Android.

Other Groups

COG have concerns on recruitment to consultant posts. One area hospital Orthodontics has been moved out of Acute Hospital.

Practitioner Group are being affected by the tendering process

Yvonne Jones

CG rep Clinical Practice
